Student at the University of North Carolina at Chapel Hill

(919) 525-6817 • morgan@morgan-roberts.com • morgan-roberts.com • Chapel Hill, NC

SUMMARY

Self-motivated, exceptionally organized and dedicated university student with a passion for designing with the user's experience in mind, well-developed time-management skills, and strong communication and leadership abilities.

EDUCATION

University of North Carolina at Chapel Hill Hussman School of Media & Journalism

- Journalism, Interactive Media, B.A.
- Computer Science Minor
- GPA: 4.0 / 4.0

EXPERIENCE

Web Design Learning Assistant, January 2021 - Present

UNC Department of Computer Science, Chapel Hill, NC

- Lead virtual office hours weekly to help beginner web design students with assignments and HTML/CSS concepts and elements.
- Grade assignments and deliver thoughtful and quick feedback.

Illustration & Branding Manager, August 2020 - October 2020

Summit Meeting Manager, Chapel Hill, NC

- Summit is a macOS app for managing virtual meeting links. My role in the development of Summit was to create illustrations, design icons, and handle branding for the app.
- Learned/improved upon techniques related to Photoshop, Illustrator, developing icons for widespread use, development of unique and attractive imagery, and creating Apple App Store displays.

Stockroom Assistant, January 2020 - May 2020

NC State University Organic Chemistry Stockroom, Raleigh, NC

- Worked 8 hours per week alongside schoolwork in a lab setting overseeing materials and preparing chemical experiments.
- Gained experience with overseeing an environment alone and managing the requests of lab users.

Busser & Takeout Manager, September 2016 - August 2018

Tarantini Italian Restaurant, Chapel Hill, NC

- Worked 15 hours per week alongside schoolwork in a high-pressure environment and developed communication, time-management, organizational, and customer service skills.
